The minutes of the meeting held on 10th August 2020 were agreed and signed as a true record.

4 PLANNING ITEMS RAISED BY RESIDENTS

The Committee heard representations from four members of the public related to planning applications on the agenda. A further member of the public attended regarding the plans for the Hillside Allotment project and was given the opportunity to highlight some concerns relating to the plans. Mr J Fisher undertook to follow up with the resident in the coming weeks.

5 PLANNING APPLICATIONS

20201547 6 Blakestone Drive

Replace existing conservatory with new single storey habitable room. Add new window to the east elevation

No objection, but would like to see a pitched roof instead of a flat roof with lantern.

20201553 16 Thor Road

Flat roof single storey extension to the rear

No objection, but would raise the issue of the bathroom having no exterior wall, resulting in possible ventilation issues. Where possible the Town Council supports the use of a pitched roof, opposed to a flat roof.

20201570 Ivy Cottage, 13 Yarmouth Road
Replacement Garage

No Objection

6 THE BUCK PUBLIC HOUSE – PRESENTATION BY PLANNING CONSULTANTS

The Committee received a presentation from planning consultant La Ronde Wright relating to potential plans which may be forthcoming for The Buck Public House. The Committee were broadly supportive of some elements of the proposals, with searching questions asked relating to the car parking and access to the properties at the rear. The Committee thanked the representative from La Ronde Wright for her attendance at the meeting.

7 THE BUCK PUBLIC HOUSE ASSET OF COMMUNITY VALUE NOMINATION

An overview of the previously submitted and subsequently withdrawn Asset of Community Value Nomination was provided to the Committee providing an opportunity to permanently withdraw or resubmit the application. It was felt that the importance of The Buck as a building and asset to the community meant that the Committee wished to provide as much protection to it as possible going forward. Therefore, it was **RESOLVED** to resubmit the Asset of Community Value nomination for The Buck public house.

8 UPDATE ON THE NEIGHBOURHOOD PLAN

The Committee received an update on the Neighbourhood Plan from Dr T Foreman. It was explained that there was significant frustration by the consultation delays related to covid-19 and this meant the plan would not be consulted upon nor adopted as soon as initially expected. The members were concerned that these delays may impact upon the amount of CIL income to the Council through developments which may start prior to the Plan being approved. Dr T Foreman explained this may be the case, and therefore it was important to be ready to move forward with the Neighbourhood Plan as soon as possible when lockdown restrictions and government guidance allow for large scale consultations to restart.

- 5 REQUEST FOR POSTAL BOX**
The Committee received correspondence from Thorpe Island Boats requesting a separate postal box for the business to be based at River Green. The Committee discussed the matter at length, highlighting the great work and skill demonstrated by the business owner and wanting to support his business growth. However, the Committee had concerns that it would likely result in other requests for post boxes sited at River Green, which is an important part of the Thorpe St Andrew Conservation Area. It was also felt that the new CCTV would assist with identifying any thefts from the existing post box sited near the telephone kiosk. The Committee **RESOLVED** to refuse the request, but requested that a suggestion be made for the business to explore the option for a Post Office PO Box.

- 6 PARKS AND ESTATES APPRENTICESHIP**
Dr T Foreman provided an overview of the report prepared by the Parks and Estates Manager, in consultation with the Parks and Estates Supervisor. The report outlined the difficulties in currently employing an apprentice, given the concerns related to the apprenticeship qualification at the nearest College. The report explained that these issues would result in significant work being undertaken by other staff to assist the apprentice, which would be difficult given the significant amount of work currently being undertaken by the team. The Committee were very supportive of appointing another apprentice, feeling that the previous apprentice had worked exceptionally well within the team and that giving employment to a local school leaver would be advantageous. It was proposed by Mr I Mackie, seconded by Miss S Lawn and **RESOLVED** that the apprenticeship scheme be included as a budget priority for the next financial year.

7 FOOTBALL MATCHDAY CAR PARKING

A report relating to a temporary expansion of car parking facilities at the Sir George Morse Park was considered by the Committee. Given the close proximity of cars parking within the car parks, and the narrowing of the pavement on Laundry Lane due to car parking on matchdays, the report proposed allowing home team to park in a designated area on the field. This would allow for better social distancing and create a safer environment for people to park and get ready for football matches. The Committee sought details n the suitability of the area, and on whether the knee-high rail proposed was sufficiently durable. Dr T Foreman explained that there would likely be some damage to the field, but due to the limited area it would be considered a satisfactory trade-off. It was highlighted that the knee-high rail was proposed due to its durability, but it was hoped the covid-19 adjustments would only be required for a year or two. It was proposed by Miss S Lawn, seconded by Mr L Reeves and **RESOLVED** that the project be progressed at a cost not to exceed £1774.10 + VAT.

TOWN COUNCIL : 5TH OCTOBER 2020

APPLICATION FOR A PREMISES LICENCE UNDER LICENSING ACT 2003 FOR 15 JOYCE WAY

Agenda Item: 51

Reason for this Report

This report has been prepared to provide further detail of the licence application for 15 Joyce Way, Thorpe St Andrew.

Background

The Town Council has been consulted on this application as a consultee by Broadland District Council

Result

The licence applied for in relation to 15 Joyce Way is for the sale of alcohol for consumption off the premises from 07.00 to 22.00 seven days a week.

The applicant has specified within the application that “No alcohol is to be consumed on site, and therefore the alcoholic beverages will be delivered to the customer’s home address and will be consumed there.”

Therefore, it seems that orders will be taken at the home address and then made up and delivered directly to the customer’s home. The licence would allow for alcohol to be purchased directly from the applicant’s home address and then consumed off site if they wished. However, this does not appear to be the applicant’s business plan.

Advice

The Town Council is asked to comment in approval or objection of the application. The Town Council does have the right to make no comment and note the application.

Legal Implications

All decisions and actions taken by or on behalf of Thorpe St Andrew Town Council must (1) be within the local powers of the Authority; (2) comply with any procedural requirement imposed by law; (3) be within the powers of the body or person exercising powers on behalf of the Authority; (4) be undertaken in accordance with the Authority procedural rules inc. Standing Orders and Financial Regulations; (5) be fully and properly informed; (6) be properly motivated; (7) be taken with regard to the fiduciary duty of the Authority to its residents; and (8) be reasonable and proper.

Financial Implications

There are no financial implications arising from this report.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

I shall ensure that all policies and procedures are followed at all times when licensable activities are taking place. I will be responsible for maintaining a safe environment in which both myself and other residents are free from harm. My staff and I shall regularly familiarise ourselves with training, whether that be about challenging Under 25, regulations surrounding the sale of alcohol, health and safety, and relevant compliances. My current full time job provides me with many of this training, to which I can implement to my premises accordingly.

b) The prevention of crime and disorder

- Security procedures in place such as alarms both during opening and closing hours.
- Personal items and business stock are to be locked in appropriate rooms and cupboards away from unauthorised personnel.
- Any incidents or accidents are to be reported to the police immediately, and recorded in an accident book.
- I shall be holding no large events, nor customers at the premises, which will avoid big crowds of people gathering, and therefore prevents acts of violence.
- My training, and any employees' training must be recorded and updated regularly.

c) Public safety

- Fire evacuation procedure in place for myself and other residents.
- Good lighting throughout the premises to prevent slips and trips.
- Easy access to fire exits, to which no exits are blocked by furniture.
- Smoke detectors are positioned throughout the premises.
- Regular training will take place regarding fire exit procedures, how to clean up spillages safely, how to keep a trip free environment and drunkenness.

d) The prevention of public nuisance

- No customers are to consume alcohol on the premises, so therefore no noise can be generated at the premises from customers.
- Limited hours means that no licensable activities will occur after 9pm.

e) The protection of children from harm

- I shall undertake regular training on ID checks and the consequences of underage drinking.
- I will have an Under 25 policy in place, challenging anyone who looks under 25 to show ID.
- ID checks are to be thorough both before the order is placed, and during the delivery. The person receiving the delivery must be at least 18 or over.
- Alcoholic beverages are to be kept in high up or locked cupboards out of reach of children.
