

Get your symptom-free **COVID-19** test now

Around one in three people with COVID-19 don't have any symptoms, but can still pass it on.

Symptom-free testing helps us find positive cases that would normally go undetected.

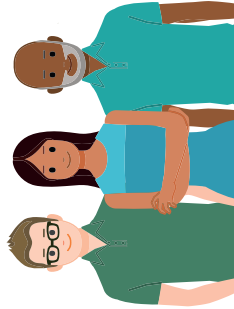

You can get a free test, even if you don't have symptoms, see overleaf for details

10am to 6pm**

**Dussindale Community Centre, Pound
Lane, Thorpe St Andrew, NR7 0SR.**

Book your symptom-free test at www.norfolk.gov.uk/rapidtesting

Remember to wear your face-covering inside the testing centre. Your results will be available in 30 minutes. If you have a smart phone, download the NHS COVID-19 app from <https://covid19.nhs.uk> and bring your phone along, to allow you to get results on your phone later.

If you have a fever, a new, continuous cough, or a loss or change in smell or taste you need a different type of test. Please self-isolate with your household and book a test at www.nhs.uk/coronavirus or call 119.
